WE'RE HAVIN' A LARDY PARTY

# FATSO disc

GREAT news, readers. Now you can get a CHUBBIE in a nightclub and not have to worry about a thing.

In Berlin, a disco for fat people called Zwo Fuffzig has been pulling in scores of lardy groovers from al around Germany.

The brainchild of 80-kilo porker, Gitty Hinz, Zwo Fuffzig opens its doors every second Saturday to more than 120 dumpy Krauts.

"In a normal nightclub, you see very few plump women," Gitty said. "They don't dance since they are afraid of the looks and comments of others."

And rightly so, eh readers.

The only problem is that bulky blokes are refusing to show up.

Which is kinda queer.

Sure, watching a fat lady dance is like watching two possums fighting in a hessian sack, but hey, at least they always PUT OUT.

# $30 MiLLION tits

**WHAT are a chick's tits worth? A can of VB and half a Chokito? A GOOD FUCKING GROPE?**

**Well, Czech model Petra Morgan's 32EE outstanding enchiladas are worth a whopping 30 mill.**

**She had them insured by her employers – a wank site called www.lovelygirls.net – for that amount in case they fall off or are eaten by bastard tit-gobbling ALIENS.**

**Her boss, millionaire Richard Longfellow, forked out a $180,000 premium on her rack.**

**Petra gushed: "Now they're worth so much I know I have to really look after them."**

**And spoof is the best moisturiser there is, sweet cheeks.**

**FARTING is one of life's greatest pleasures. Parting one's nether cheeks at that special angle and producing a melodic PARP can bring a smile to even the saddest punter.**

**Now you can fart till your bum's content without spreading those beaut-but-antisocial fart smells in the workplace or home.**

**The flatulence filter is a super-activated carbon and foam filter concealed in a fashionable grey tweed chair cushion.**

**It vacuums out the gases as soon as your guts drop 'em and uses the same filtration system as soldiers' gas masks during the very smelly Gulf War.**

**You can grab one of these champion social accessories for about $80 by checking out the web site www.flatulence-filter.com.**

**But bum Beethovens need not worry – that epic FART CONCERTO you've been working on all your life won't be affected by the cushion – it's not sound-proof.**

# Sticky dates

she howl like wolf

**Wednesday, May 23**
Your cock...Joan Collins...yep, it's a big day for WRINKLIES. Today, the superbitch clocks up her 68th year and tonight your cock can spit like a bastard at heat one of the national finals of Miss Erotica in the Southern Cross Hotel, St Peters, Sydney.

**Thursday, May 24**
St Marys Band Club in Sydney is the venue for heat two of the Miss Erotica finals, which is kinda beaut 'cos it's Ascension Day, the day when JC spoofed so hard he went up into Heaven.

**Friday, May 25**
The streets of western Sydney will be awash with beer, spoonter and glorious smoo juice tonight after the super-duper Grand Final of Miss Erotica at the super-ace Ermington Hotel.

**Saturday, May 26**
Get out your tweeds, chaps, it's the final of the Super 12. Jolly good stuff, eh.

**Sunday, May 27**
Julianne James copped a wad or 20 in *Anal Brat* and many other heroic spuzz flicks. Happy birthday, slut. We love you and your wrinkled date.

**Monday, May 28**
If you're a pasty Pom, you'll be cheering – today is a Bank Holiday in the UK. We're cheering too. The more happy Poms there are, the less likely they are to come out here.

**Tuesday, May 29**
Mae West had a 38-24-38 figure. Her tits were so buoyant and life-enhancing that one day the US navy decided to name their inflatable life jackets after her. It was, we think, on a Tuesday. And yes, that is cuddly Beatle Ringo Starr ogling her orbs in the picture.

# CADAVER Palaver

ARE we doomed to end our days plastered all over some snooty art gallery? 'Cos that's what's happening to some of the fine DEAD people and animals of Germany.

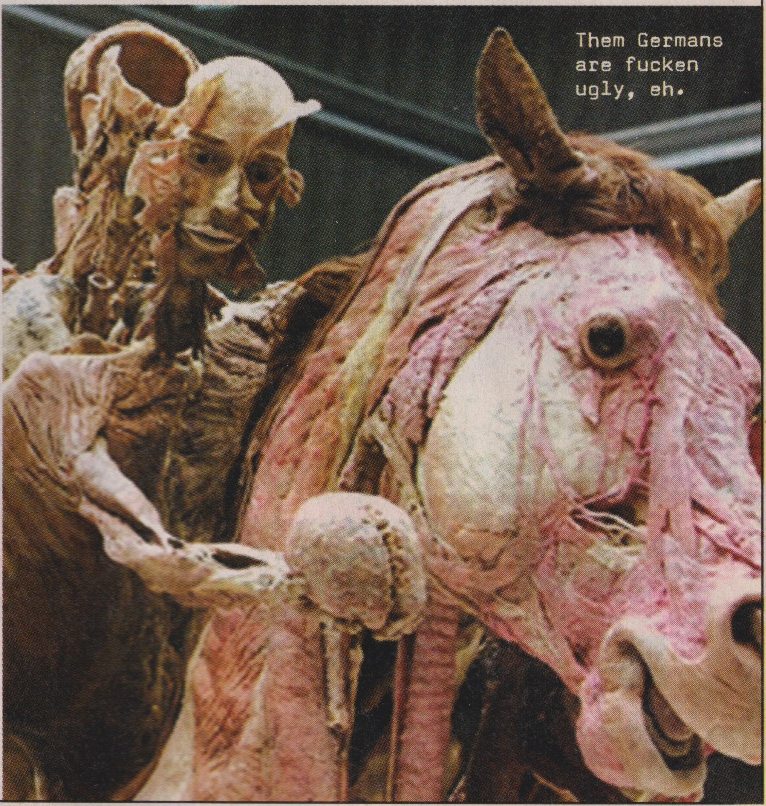
In a gnarly process called PLASTICIZATION, bodily fluids are replaced with silicon and polyester polymers, preserving corpses down to the last sinew, cell and genital wart.

The process takes 8000 hours and the ghoulish results are showing at a Berlin exhibition called *Body Worlds.*

Unfortunately, the artist, Professor Gunther Von Hagens, doesn't obtain his specimens by personally MURDERING them. Instead the corpses are donated with prior consent.

And in a reaction that will surprise no-one, local churches are up in arms, comparing the process to the dehumanisation of the Nazis.

Which is a bit fucken rich considering the Jerry church was in on the Nazi scam from the start.



Them Germans are fucken ugly, eh.

# Mean STREAK

WHAT is wrong with fucking Pommyland?

Two decent, clothes-hating soccer fans have been banned for life for streaking across the field during an English Premier League match.

Kelly Mills and her cocky boyfriend were caught showing their NAKED DEVOTION for Manchester City towards the end of the vital home game against Arsenal.

It was a beaut tactical move – their team was getting thoroughly reamed and creamed at the time.

But petty-minded officials weren't impressed (well, they never are).

"The action of one person coming on to a pitch can spark a lot of people wanting to do the same thing and cause serious problems," ground safety officer Peter Fletcher bleated like a real communist.

No wonder Manchester City came third last and got fucking relegated.

COME AND *DRIBBLE* ON MY TITS

# WASHING Matilda

AN UPPITY washing machine pulled the cord on her laundry duties recently and embarked on an Australian tour to raise money for children's charity.

In a move that has sent laundrettes across the nation into a SPIN, Matilda, as she's known, has interrupted her CYCLE to be present at various shindigs and fund-raising events across the nation.

And already heaps of celebs are turning out to meet her and air their dirty laundry.

Matilda is being chaperoned by Jeff Clarke and Chris Ferguson, two young fellas with lots of good, clean love to give.

Over the next six months they'll be following this route: Adelaide – Perth – Broome – Darwin – Alice Springs – Adelaide – Melbourne – Hobart – Canberra – Sydney – Brisbane – Townsville – Cairns. So you might be able to catch them.

But they need sponsors. So reach into your deep pockets and call 0414 817 099 or log on to www.washingmatilda.co.uk to help 'em out.

Go on. It'll wash away your sins. Maybe.

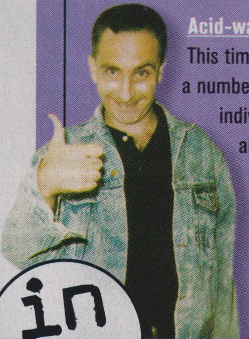
# The in out file

What's hot and what's fucking not

**Red pubes**

In this age of shaven beavers we often forget the major contribution made to PENILE well-being by the trusty red thatch. The rusty-pubed moot has charmed mankind's cocks for centuries, but has been out of favour recently owing to the Hanson factor and that royal twit Fergie. But we'd like to welcome red pubes back to the FOLD, so to speak, and proclaim them fully fledged members of the greater pube community. After all, when a chick's got her rags, there's no-one better - nor more discreet - to root.



**Acid-wash denim jackets**

This timeless fashion garment is worn by a number of the world's most stylish individuals. Like young Stanley here. It absorbs beer and puke without damaging the intricate patterning and is a big hit with discerning sheila folk everywhere. Look at young Stanley. He's unstoppable. Go, Stanley, go!

**Rove McManus and everyone else with ANUS in their name**

Impish japester, eh? How about UNFUNNY HE-BITCH? When's this total lame-o finally gonna get the boot and stop upsetting all our stupid celebrities? Sadly, this rule also means Pommy spunk Samantha Janus is on the outer. Nice bod, but. Shame about her anus.

**David Spade**

This rat-faced geek has been fouling our TV screens for way too long in that shit show *Just Shoot Me.* The annoying Yankee runt has been in a few movies too. What's worse, some drongos have actually paid to see him. It's surely only a matter of time before some psychotic trolley boy with a grudge or loopy celebrity stalker does the whole world a big favour. The time of purification is at hand, readers.

## [ PUNTERS' COCKS GIVE PICTURE BEANO A STANDING OVATION ]

REMEMBER when you were a little tacker and the circus would come to town?

Remember how you would get so excited that you'd poo your daks and have to be belted about the head before you'd stop screaming?

You DO? Excellent! 'Cos that's exactly how excited hordes of Sydneysiders got when THE PICTURE's Big Night Out came to town one balmy April night.

About 18 million (approximately) tit fans turned up to bask in the sexual surrounds of the Ermington Hotel. And they had a truly grouse time – leering at the boobs, eating schnitzel from the bistro and occasionally visiting the lavatory for a relaxing wee.

The evening got off to a CLASSY start when several PICTURE staff members – including openly lesbian editor Derek – climbed into a stretch Porsche limousine provided by the good people at Sydney's favourite chauffeur-driven car hire service, A Stretch Porsche Hire.

Upon arrival at the Ermington, all bastard hell broke loose when Miss Nude Victoria, Samantha, took to the stage in a clinging vinyl number that went right up her

crack. She removed this right quick and waggled her ARSE around in a lewd manner. It was ace.

Indeed, several pairs of spectators' underpants spontaneously ignited, causing bloodcurdling screams and the oily smell of burning cock to drift through the room.

Imagine, if you will, the magical scene...scantily clad waitresses brought the punters sweet sherbert, while on the main stage exotic dancer followed exotic dancer in a never-ending cavalcade of moot-shaking whimsy.

The line-up included Miss Nude ACT, Ricky Lee, the evergreen Miss Nude Qld, Fox, and two Homies of the Week, Sarah (#644) and Jane (#633).

Our lovely Homie of the Year, Rachel, flitted about the room spreading joy and fat penises everywhere she went – like a beautiful fairy with great big creamy tits – and on the **PICTURE** table, grotesque hacks drank cleaning products and yelled encouragement at lezzo dancing duo the Bombshells, Natasha and Ashley.

But the real climax of the evening came when seven Homies mounted the stage for the wet T-shirt competition. They went APE CRAZY when another hornbag from the audience wetted 'em down, and they teased and aroused the frenzied audience something shocking.

After the moisture had settled, a perky young thing called Kylie took home the $500 winners cheque. She's also our Homie Of The Week from #652, so check out that issue if you want to see her VAGINA.

Anyway, about that stage of the evening, the management started flicking the lights off and on and telling everyone to GET FUCKED. So we all did. ■

## [ CRAZY HORSES COULDN'T DRAG US AWAY ]

ADELAIDE shuddered into life when the Miss Erotica pageant came to town in a whirlwind of bosoms and beaver.

Keen vagina fans thronged the Crazy Horse nightclub over three nights to whoop, holler and dribble at the wicked minxes battling for the title of Miss Erotica SA 2001. The action got so damn heated that one contestant ended up in HOSPITAL, and another was almost crushed by her 3.5-metre diamond head python.

The girls shook, rattled and rolled their way around the stage, applying liberal helpings of cream, lotion, water and SMUT. They

- Put their naughty bits in a heart-shaped opening so the judges could have a scrute.
- Spanked their way through some foreplay with the Mistresses of Domination, AND
- Aroused all with their sexual stage shows.

It was half-mongrels all round as eventual winner Simone Satin pulled a string of pearls out of her fanny, then sucked them clean. The punters lapped up runner-up Jordan La Tour's catwoman act and almost suffered cardiac ARREST when Ashley de Witt came on dressed as a copper. Ashley then cut her hand backstage and had to go to hospital for stitches.

**Best of all, reigning Miss Erotica Australia Nicole Vixen came on to show the girls what they were up against.**

She made herself VERY popular by smothering her naked bod with red paint and inviting the punters to sponge it off. Then she generously shoved her tits in everyone's faces.

Newly crowned SA erotica queen Simone gushed: "I can't believe this has happened! I hope I don't wake up and find it's all a dream." ■

***Heat two of the national finals of the Miss Erotica comp was originally going to be at the Stardust Hotel in Cabramatta, but it is now at St Marys Band Club on May 24.***

YOU'VE probably been wondering why the Germans have been so QUIET of late. It's a bit suspicious, isn't it? 'Cos usually when the Krauts go all quiet they're hatching an evil plot to take over the world.

Well, you can all relax. This time all they've been doing is building bloody great digging machines.

Ever-observant PICTURE hacks captured this 13,000-tonne BEHEMOTH as it crushed fields, streets, autobahns and railway lines on its way to a new mine near Cologne.

The lignite dredger (so called because it's used to dredge lignite, a form of coal) rumbled along a specially prepared 60-metre-wide gravel track at a breathtaking 10 metres per minute. That means it did the 22km journey in precisely...um, divide by 100, carry three, scratch head, er...about 14 hours. More or less.

It stands 96m tall, 240m long and is powered by a kilometre-long extension cord. And when it's not scaring happy German peasants, it's shoved in 160m-deep opencast mines, turned on and left to dig lots of STUFF. ■

# Fit FANNIES

A FEW episodes back I taught the fat-cocked blokes of Oz how to develop six-million-dollar bionic rooting penises. Now it's the turn of the chicks. It's Pussy Power time!

But first, a few sexy examples...

I'll never forget the first sex show I saw in the aptly named Bangkok. The first stripper danced around with a sexy bottle of Coke before placing it into her gappy fanny and ripping the bastard top off.

Next, she lay back and emptied the contents of the bottle into her ginnie. She danced around some more without spilling a drop, placed the empty bottle into her fanny again, and refilled it with brown rotgut. *Strewth!* I thought. *I'm not gonna order any more bourbon and Cokes from this joint!*

The next stripper sucked a lesbian banana up her pussy, lay on her back and shot the banana three metres into the air. Another fired sticky pingpong balls into the audience (I caught several in my dirty mouth). She also smoked a cigarette with her hot box and blew smoke rings out of it. Yet another put a pen in her puss, squatted, and wrote, "Fuck me hard Cad!" on a large piece of cardboard.

I was in muscular vagina heaven!

So why do these Thai ladies have such fit fannies? A lot of it is because they use squat throne rooms rather than lazy Western sit-down dunnies. But they also know the real way to a bloke's heart is not through his stomach but through his one-eyed trouser snake. So they say, "Fuck the stomach-crunching machine – I'm gonna exercise my na-na!" And lo, they do.

> 'Not only will your bloke enjoy sex more, but as a pussy-powered girl, you will also have more powerful and frequent orgasms!'

Consider also the famous ladies of Madura. When still young, these women are taught to control every muscle in their love hole until they can squeeze up and down a bloke's schlong rather like Mr Kenny G squeezes his bisexual alto sax.

I enjoyed a sexy Maduran girlfriend for a time. She could squeeze her fanny so tight, it was impossible for me to pull out without ripping my cock off. Even after I'd come several times, she wouldn't let me out.

I begged, "Please, baby, my enormous cock is tired and flaccid and I really need a martini." But she just smiled her lecherous smile and gave my cock such a wonderful massage, squeezing it from every angle, that within a minute I was hard and horny and ready to root some more.

Because I am a super stud.

Of course, chicks can't develop such skills overnight. It takes practice – but any chick keen to develop her flaccid pussy into a heavenly root box should have no shortage of willing rooting volunteers!

So, gals – squat lots. Try to isolate the different muscles in your puss and squeeze them in erotic sets of 10. Squat when pissing and interrupt your steaming, delicious piss-flow with a series of sharp squeezes.

Practise squeezing on your old man's old fella. At first, he may not feel much but soon he will be moaning. The best news? Not only will your bloke enjoy sex more, but as a pussy-powered girl, you will also have more powerful and frequent orgasms!

And, girlies, if you don't believe me, I will personally volunteer for internal instruction (just send nude pics marked 'Instruct Me Hard, Cad!' c/o THE PICTURE).

And I'll stand up for your love rights. ■

## IT'S LIFE, LIBERTY AND THE PURSUIT OF BAP-PINESS AT THE FETISH AND FANTASY BALL

IT'S NOT unusual for people to lose their pants in Las Vegas – but punters at the recent fetish and fantasy ball broke new ground by losing theirs BEFORE they even walked in the door.

The Fifth Annual Fetish And Fantasy Halloween Ball – held at the swanky Tropicana Hotel – was a showcase of everything sexually adventurous under the sun. It catered mainly for the heroic S&M community and, as such, featured many stalls and exhibitions devoted to large sticks with which to cause extreme pain to friends and loved ones. Intricate devices designed to put undue pressure on the SCROTUM during prolonged bouts of anal intercourse also featured heavily.

# Vul

But it wasn't all about bumless leather pants and huge dildos with spikes and realistic veins on them.

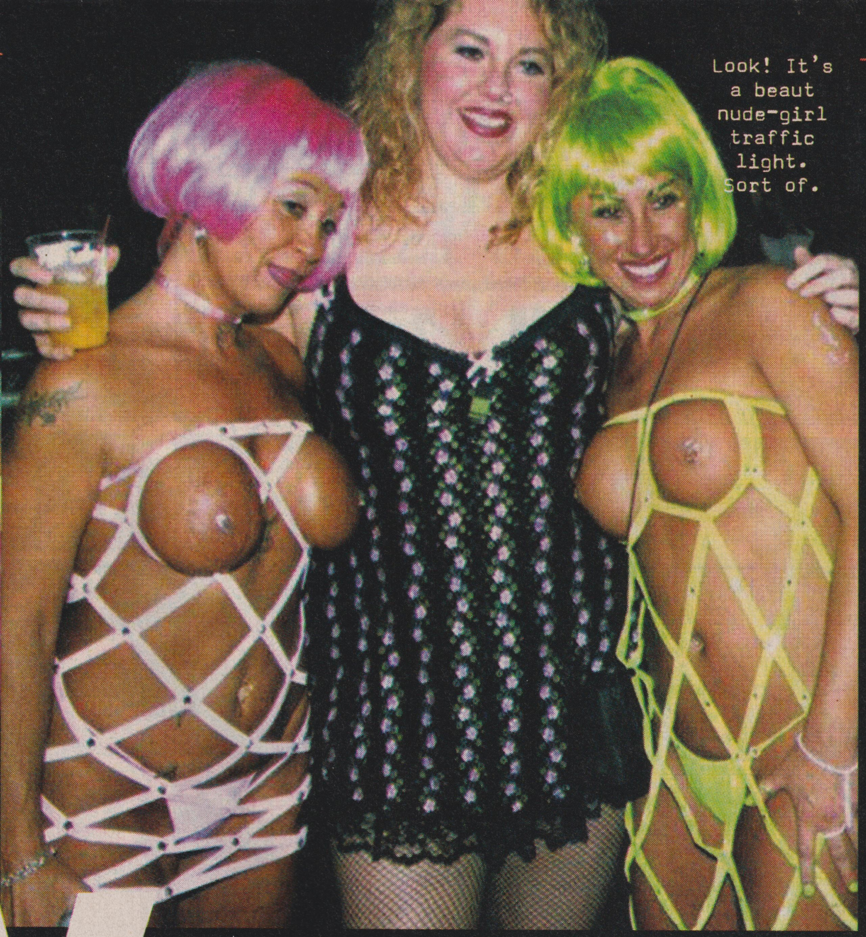
For NORMAL folk, there were rude bondage ladies walking around with their tits out and doing licky lezzo shows. There were also stalls that sold less painful rooting stuff like champion ben-wah balls and stag videos like *Pregnant Bitches Strap It On.*

But, being a fetish and fantasy shindig, the ball was mainly for those who like to spice up their loving lives with the howls of the tortured and by sticking safety pins through their cock-tops.

And even though that all sounds a little bit SPOOKY, it was a Halloween party so it was all strangely appropriate.

Especially when Satan turned up with a bottle of cheap cider and a pack of Doritos and demanded that someone stick their fist up his BLACK ANUS. ■

Small tits get bonus points for having bits of metal stuck through them.



Look! It's a beaut nude-girl traffic light. Sort of.

LAURA
CHLOE
MIA
TIA

[ THEY'RE UNDER-DRESSED AND OVER HERE ]

Pics by Ian Dare

LIVING somewhere hot is ace. Not only is it better than living somewhere cold, but our sultry climate attracts a steady stream of foreign beaver aching for rampant Aussie peen.

And some of these chicks can't wait to get their gear off and pose nudely for our depraved camera, like this lovely crop of willing babes.

**CHLOE (short dark hair)** hails from Helston in Cornwall, Pomgolia. She's 18 years old, works as a waitress and has been good enough to grant her sexual favours to one of our own. She spoke to us from a cafe in Adelaide, having returned that day from a trip to Alice Springs.

*How did you find the shoot?*

"It was quite a unique experience."

*Was it sexual?*

"Not really."

*O...K. What sort of fella d'ya go for?*

"Taller than me, dark hair, nicely built."

*Who are you shagging at the moment?*

"I'm seeing an Australian guy in Adelaide who I met at work. He's come travelling with me. My sex life is great. It's all there – he's good with his hands and he's got good arms."

*What do you like in bed?*

"A bit of variety."

*What's your favourite position?*

"On top – just so I can be in control. I'm a dominant female."

*Does that mean...?*

"We're working towards that."

*What's the strangest place you've had sex?*

"In a park. It was freezing."

*Do you like giving blowies?*

"I love it. It's the whole idea of having him at my mercy."

*What's your technique?*

"I don't give away trade secrets."

*What else do you do?*

"I like going down to the beach, socialising, drinking, partying and having a dance. I'm a teenybopper – I like all types of music."

**MIA, 22 (long brown hair),** comes from Norway. She's studying multi-media at the University of South Australia, Adelaide, and enjoys group sex.

*What do you think of Oz, Mia?*

"I like it a lot. The weather is good and the people are friendly, very polite and welcoming."

*Did you enjoy the shoot?*

"Yes, it was very exciting! They were my first nude pictures. It was fun actually."

*Did it turn you on?*

"Yes, a bit."

*Do you have any favourite sexual tricks?*

"Sex in showers, sitting down with me on top."

'On top – just so I can be in control. **I'm a dominant female.'**

Backpacking is a great way to meet other nude people and have a nap on their thighs.

Mia likes sex in the shower. What a clean girl!

*Ever had a threesome in the shower?*

"Yeah, once. It was very exciting and great fun. It was with one boy and one girl. Sex is more fun with more people."

*Do you like sex with women?*

"Yeah, but I couldn't go out with a girl. It's probably better with a boy as well."

*How should a man behave in bed?*

"He should know how to pleasure a woman and hit the right spots. He has to be friendly and make you feel good."

*And your favourite position?*

"Sitting on top. I'm in control."

**TIA, 21 (blonde, arse tatt),** is another stoodent, from Florida, US, and is taking a year out to travel.

"I worked in Melbourne doing secretarial work. I'm in Darwin for a couple of days, then I'll fly to Cairns and then go down the east coast to Sydney. I'm spending a couple of weeks there and then heading to Fiji, where I'll do nothing and be a bum. I'm heading home in June."

*How's Oz been?*

"Great. It's been the greatest experience I have ever had. I met some of the greatest people. They showed me around and I've been to some good parties but I've also just relaxed."

*And how do you like us Aussies?*

"You're really, really friendly, helpful and outgoing. You drink a lot though!"

*Have you slept with any of us?*

"I have a boyfriend at home so I haven't really been doing anything. I've been approached but I'm waiting for him."

*How do you like your sex?*

"I'm a romantic – I like the cuddling. Experimenting is alright to a point."

*Anything you wouldn't do?*

"I'm not into group sex."

*What's your favourite position?*

"I like to be on top – I like the control part of it. I also like it on my back in the missionary. Sex means a lot to me, it's really important and most of the time it's meaningful. I don't like it rushed."

*What would be your ultimate setting for sex?*

"On a beach on a secluded island, with waterfalls – the whole movie scene. We'd do it in the water, under the water, against a palm tree, on the rocks – just get it all in there."

*How often do you get it on?*

"At least five or six times a week. Occasionally we'll do it two or three times a night. We'll do it all night and again in the morning."

*How do you turn your boyfriend on?*

"I just look at him. I touch him and caress him and we start to strip each other."

*Do you give head?*

"I don't mind it as long as I can receive it. I prefer not to swallow, but I have."

*What else do you like to do?*

"Drink, dance and party."

And there you have it. We would have loved to find out Laura's sexual secrets, but unfortunately she was out of mobile range for weeks on end and we couldn't get in touch with her. But we IMAGINE she likes group sex, blowjobs and anal stimulation. And flower-arranging. ■

Now everyone smile sweetly and say: "Rock-hard nipples!"

## RON BACARDI'S LETTER OF THE WEEK

### GAY. WET TWAT. FUCK OFF.

THERE was a gag sent in by S.B. of Darra, Qld in #660. S.B. thinks there are no wise men or virgins in Queensland.

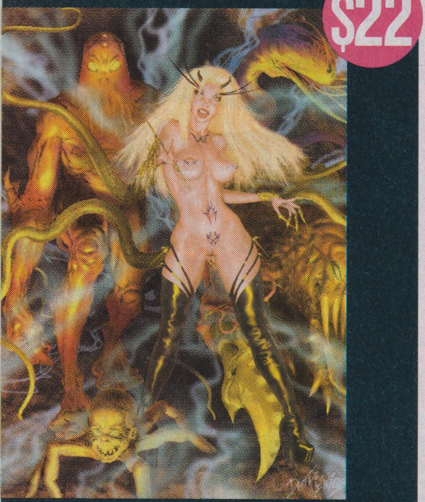
I don't find that amusing. I think S.B. can fuck off and live in another state. If you don't like Qld, don't whinge about it – piss right off.

As for the virgin thing, well, you must be gay because there is only so much fun you can have with a virgin. There is nothing like a wet twat around your cock.

So what if you can't find a virgin. Fuck off somewhere else, then.

**B.R., Roma, Qld**

***The editor replies: I agree, there IS nothing quite like a wet twat gripping your turgid truncheon; rare is the man who would argue against a smooth and uncomplicated entry. As for your offence at the gag, loosen up, enjoy life and get stuck into this complimentary bottle of piss.***



**MICHAL'S MINXES POSTERS**

### LOVE ON THE ROCKS (IT AIN'T NO BIG SURPRISE)

WOW! The sheila on page 4 in issue #659 is one very spunky-looking woman and I was wondering if you could do a centrefold of her.

Please, please, please.

**R.H., Herveys Range, Qld**

***The editor replies: And deliver this sweet thing straight into the arms of Satan by virtue of her having appeared in our wicked magazine? No qualms. We're on the case.***

Will she? Won't she? Stay tuned.

### STILL CRAP

JUST a quick note to thank yez for a top Aussie rag. Keep the pussy coming to us in great big piles.

Now to shit yers off...No. 1 bitch is what are youse gonna do about the total lack of poster-size pin-up chicks? I need more so I can finish off me wallpapering. I'm talking about the four-page posters, not dem liddle postage-stamp jobbies.

You know that tight-arse prick Ca$hman? Well, I wrote him a letter and the fuggin' bastard didn't even send me any cash or anyfink. The prick. Next thing I see in ya mag is cash for yer tatts... Well, I send in my tatt photo and fuck me dead if youse don't up and stop runnin' that segment! Change is a cunt sometimes. Stop fucken around with a rag we all enjoy!

If ya want a change that would be a hoot you could run a segment on me fuckin all them Home Chicks and giving 'em a score outta 100 'cos I would be happy to help youse out and I think those babes are hot.

Now I'm done. Keep up the best work on a world-class magazine – even if you are tight-arsed cunts.

**P.W., Denmark, WA**

***The editor replies: Tight-arse cunts, eh? Nice. Now you've hurt our feelings.***

## YOU GOT it

***OK, the moment all you 'groovy cats' have been waiting for is HERE! That's right – we're announcing the winners of the three CDs we offered up in #654. They were Placebo's Black Market Music, The Tea Party's The Edges Of Twilight and Mazzy Star's So Tonight That I Might See. We have TWO lots to give away, and they go to S.S. of Nanango, Qld, and S.L. of Highton, Vic, who scored top marks by adding a beaut little toon to go with his/her favourite lyrics from The Bloodhound Gang's The Ballad Of Chasey Lain: "You've had a lotta dick/I've had a lotta time/You've had a lotta dick, Chasey/But you ain't had mine."***

### JESUS

I AM writing a letter of complaint regarding an incident which happened to me today. As I walked into a petrol station, right in front of my face was a magazine with the words in bold black letters 'Holy Mother Of God'.

It's obvious to me that whoever came up with this absolutely disgusting idea of putting such a title on this magazine wouldn't have a clue of how absolutely offensive and hurtful that is.

Isn't it enough that companies such as yours are thriving on filth? Do you now have to involve God in them as well? I am begging you to refrain from doing so.

I hope that this letter would bring some understanding and to re-evaluate your morals.

**No name or address**

***The editor replies: Listen, God doesn't fuck around, and if he didn't dig THE PICTURE he'd be hurling lightning bolts at us. As all staff members are currently unelectrocuted we can only assume the big fella approves of our work.***

### A MAN'S ARSE

SO WHAT'S up Andy from Prospect's (#660) arse? Just because you obviously can't root for long and don't make your missus (or dog or sheep or whatever, in your case) cum a few times doesn't mean nobody else can.

How can you possibly sit there and doubt the truth of our wonderful readers' stories?

**S.J., Tamworth, NSW**

***The editor replies: You've smacked the tack squarely on the flat end there, S.J. What PICTURE readers out there don't have the ability to bring a frigid woman to a series of galloping, spectacular orgasms or store a nine-inch-or-larger throbbing junket-spitter in their briefs? Not many, by my reckoning.***

## YOU WANT IT

***THREE spunky chicks and...fuck it, we don't really need to tell you any more, do we? We've got FIVE Charlie's Angels packs to give away this week, each consisting of a DVD and a pair of boxer shorts. To win, write a detailed story telling us how you would deal with these three feisty fillies in the bedroom. Diagrams are encouraged. ### SHITHOUSE

ON YOUR revamped mag – what can I say? What can I write? How can I tell you how much I love you? If variety is the spice of life then you've really spiced it up.

I could go on and on and on and on about this but I will say one thing – if this letter is worth a bottle of Bacardi and as I'm a teetotaller, I would like you and whoever was involved in making up the new concept of THE PICTURE to share it around and celebrate your new fantastic achievement.

**J.M., Morwell, Vic**

***The editor replies: No worries there, J.M., consider a crate of the demon rum drunk, spewed and pissed all over the boss' office wall in your honour. Good one, non-drinking bloke.***

# Ask the girls

Ask any PICTURE spunk ANYTHING you like and we'll send you a pack of ace PICTURE playing cards, if we publish your letter. Write to Ask The Girls, THE PICTURE, GPO Box 5201, Sydney, NSW 2001 (include the issue number).

### ? DEAR TAHLIA

***(Homie of the Week #658),***

Hi sexy! Well, when I read your cry for help I thought I should come to the rescue. I think you are very gorgeous and would love to take you out for dinner and then back to my house for dessert. I would also love to give you a nice sexual massage with baby oil and insert my member into your love shack and pound it until you cum like Niagara Falls over my sack. Well, I hope my offer is good enough and would love to see you on stage. I have to go now and have a wank.

**D.B., Sydney, NSW**

**TAHLIA SAYS:** ***Wow! That's...so overwhelming! I've never had an offer like that before and it's very, very tempting. Unfortunately, I'm really busy right now but after reading your letter I'm off to the bedroom myself to think about you! Thanks for making me very happy.***

# It's Tisha

# ‘I like it every night – or at least **six nights**

IT’S not much fun here in Steak and Kidney at the moment. What with all the Poms, pelting rain and big smelly cars.

So it was with great relief that we greeted sunny Tisha, 23, who brought over a fleeting ray of happiness from her home town of Perth.

And we were VERY pleased to find out she’s single, DOESN’T go for good looks and prefers older men. Which glad tidings had the entire PICTURE office whooping and hollering through our cracked, toothy grins.

Tisha, who was also Pin-up in #623, gets bonus points for her fondness for rough sex and masturbation. She told us all about it while she was having her hair done for this photo shoot.

*What do you do for a living?*

I do marketing and promotional work, and topless hostessing for private functions.

*And what brings you to NSW?*

I just came over for a long weekend, to see friends. It’s been lots of fun, except for the weather.

*So what’s a lovely-looking girl like you doing without a bloke?*

I don’t get approached by a lot of men. Some people tell me I give off vibes that my legs are closed! I don’t mean to because I like men, believe me!

*What sort of men tend to tickle your fancy?*

I like European men and I have met a few nice English guys, but I'm not a looks sort of person. I go for sense of humour and personality and I like older men, around the age of 35. They're more experienced, more emotionally supportive, more protective and more caring. They're not so full of testosterone and I feel I'm more on their wavelength. But probably when I'm 30 I'll start liking the young guys.

*Are older blokes better in bed?*

Ye-es, though I've been with a younger guy and he was good too. I don't think it's a sexual thing – though older guys are probably not so quick!

*Would you describe yourself as a sexual person?*

I'm very, very sexual. I was born a really horny person. I'm not one of those women who never wants it. I like it a lot more than once a week. I like it every night – or at least six nights a week!

*What's your fave possie?*

Doggie-style, because you feel it more. It's more intense and you get more thrust. You get a lot more feeling. I like rough sort of sex – I'm a bit of a roughie. I like my hair pulled and I like it a bit barbaric. I like being taken roughly, really hard and fast, bang, bang, bang. I'm not one of those women who likes it

very slow and seductive, and all that bullshit – I like it really passionate, full-on and intense.

*Do you have any toys?*

A vibrator – just a little one you rub on your clitoris when you have sex. It means I can orgasm better. Or else I use my fingers. I have handcuffs, which I use on special occasions.

*Have you ever had sex with a woman?*

I fantasise about it but I would never go ahead with it. I find women attractive, and I prefer to look at women's bodies, but I wouldn't want to go the whole way with a woman.

*What about threesomes?*

I wouldn't mind trying one – it's probably the only way I would do it with a girl. I don't think I'd want to do it with two men because I find it a bit degrading – I'd feel completely used.

If you desperately need dollars, tell Ca$hman why in no more than 150 words. He may just help out (remember, Ca$hy loves PHOTOS with letters to prove your case). Write to Ca$hman, THE PICTURE, GPO Box 5201, Sydney, NSW 2001. Ca$hman regrets that he is unable to reply to all requests for cash and cannot return your nice photos. Only the letters he feels like answering will be published. So there.

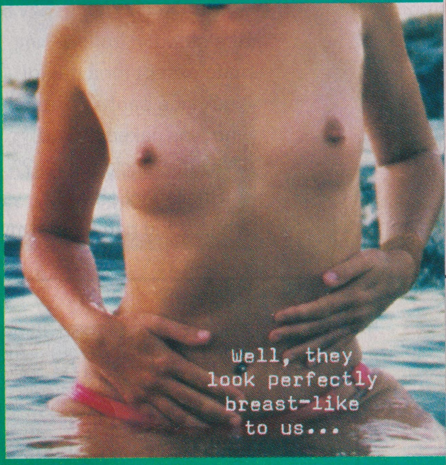
## Letter of the Week

### ALL WUMBAS GREAT AND SMALL

AFTER reading the letter to you in issue #657, A Farewell To Orbs, I was in utter disbelief that the woman with those big, beautiful double-Es was going to have a breast reduction. If only she could transfer her perfect funbags to my own tiny 12A bee stings. For years I convinced myself that I was a late bloomer but at age 22 I have to face reality – I'm flatter than most 12-year-old girls. I love my body and am quite attractive but I long for cleavage and would love to fulfil my fantasy of being tit-fucked. I've saved almost half the money needed for a breast enlargement but have just lost my job, which has slowed things down. I hope one day to appear in the Me And My Boobs section of your magazine and have millions of horny men admiring and getting off on my sexy, new and improved, big perky norks.

**M.S., Mentone, Vic**

**$100** ***CA$HMAN SAYS:*** ***One chick's perfect rack is another's back ache, M.S. – we all want what we have not got. I, for instance, have often considered having an inch or two hacked off my enormous donger, if only to stop spoiling women for other, lesser members. But, owing to a flood of concerned letters, and many threats of suicide, I desisted. But every time I have to heave my prodigious plonker across the beach to the surf I wonder if it's all worth it. Still, every girl has her dream, and if you want big tits, more power to you. We like a nice set around here. Not that there's anything wrong with teeny titties but the big ones are so nice to put your face down between and go flubba-flubba-flubba, etc. So have $100 towards your dream.***



Well, they look perfectly breast-like to us...

### THE UNKINDEST CUT

I MET my wife 10 years ago. She had two little girls at the time. We have been married now for seven years. My problem is that before we got married she insisted I get clipped as her ex was a real idiot and was never there for them and she believed no men were good fathers. Crazy me loved her and got the clip. We have regretted that decision ever since. We wish for more rugrats. It will cost $1700 for the reverse operation and it's hard to save but we have about a quarter of it. So, Ca$hman, if you can help us a little it could bring me closer to firing on all cylinders and have more rugrats with my wife.

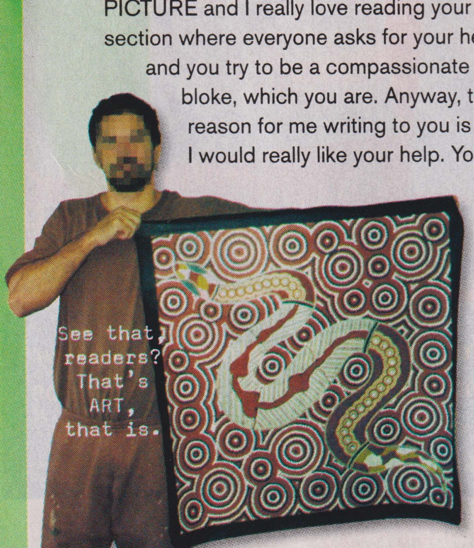
**D.F., Brisbane, Qld**

**$0** ***CA$HMAN SAYS:*** ***Ya want kiddies, ya don't want kiddies. Ya want it snipped, ya want it FUCKEN reconnected – make up ya mind, pal. There's too much dilly-fucken-dallying going on in this world. Save the rest yourself, get it done and populate the world with indecisive brats but don't bother me about it.***

### GET THE PAINTERS IN

HEY there! I'm an avid reader of THE PICTURE and I really love reading your section where everyone asks for your help and you try to be a compassionate bloke, which you are. Anyway, the reason for me writing to you is that I would really like your help. You see, the place I'm living in (jail) makes it hard and I spend most of my time painting Murri art. But because of the system, they have made it a bit hard to get painting material that I need. So I worked out it would cost me about $150-$200 for the canvas, paints and new brushes, which they won't supply. I've enclosed a photo of my work. In these hard times it comforts me when I paint, so I hope you can help.

**A.K., Woodford, Qld**



See that, readers? That's ART, that is.

**$100** ***CA$HMAN SAYS:*** ***Yeah, 'Compassion' is my middle name, though my friends just call me 'Compy' for short. And I like a bit of nice art, being a cultural sort of bastard. OK, ya got me – have $100 for a bit of flat-plastic and a brush or two, and send us a beaut painting some day when you're rich and/or famous. I've got a cunt of a crack in my lounge room wall that needs covering up.***

### WRITE ON

I WAS in a car accident two years ago and am still having loads of shitty problems with my neck. My physio reckons it's because I need a proper computer desk instead on working on a coffee table. As a struggling student and writer of erotic stories, I can't afford to get one. My boyfriend is suffering too, because sometimes my neck is too sore to give him a headjob. I'm really missing his cock in my mouth as well. Please help me buy a computer desk so I can return to being the fabulous cocksucker my boyfriend knows and loves.

**K.R., Melbourne, Vic**

**$0** ***CA$HMAN SAYS:*** ***Erotic fiction, eh. Listen, it's my belief that you don't need charity if you have a marketable skill, and if you can churn out a few good rudie stories there's no reason why you shouldn't be firing 'em in to our various sections (My First Fuck, Gripping Yarns, etc) and picking up an honest buck. Then you'll be able to buy your own desk and get back to throating cock quicker than you can say "It was a dark and stormy night..." We await your literary efforts.***

# Ha Friggin' Ha

Write down your favourite gags, whack 'em in an envelope and send 'em to Ha Friggin' Ha, THE PICTURE, GPO Box 5201, Sydney, NSW 2001 or email picture@acp.com.au. Each reader whose jokes we print will receive an ace pack of PICTURE playing cards.

SHEILA had lost her husband four years ago and was still in mourning. Her daughter introduced her to a new man to cheer her up, and it was an immediate hit. Bruce and Sheila started dating and after a few weeks he asked her to join him for a weekend in the mountains.

On the first night they both undressed. She stood in front of him, nude except for a pair of black lace panties. Bruce, who was naked, asked: "Why the black panties?"

Sheila replied: "My breasts you can fondle, my body is yours to explore, but down there I am still in mourning."

Bruce realised he wasn't getting lucky that night. The following night Sheila again stood in front of him wearing just the black panties. But this time Bruce was wearing a black condom on his cock.

"What's that for?" Sheila asked.

"I want to offer my condolences," Bruce said.

**J. Stimac, Manly, NSW**

**A BLOKE walked into a bar and ordered three drinks, downing them one after another. "What's up?" asked the barman.**

**"Well, I went on a week-long business trip and had to leave my wife alone," said the bloke. "I've had my suspicions about our next-door neighbour, so I hung a weight from the bottom of a bedspring just above a bowl of cream."**

**"So you came home and found cream on the weight, right?"**

**"It's worse than that," said the bloke, downing another drink. "The cream had been churned into butter."**

A MAN thought his wife might be deaf. To test her hearing, he stood five metres behind her while she was doing the dishes and asked: "What's for dinner?"

No reply. He moved forward a few paces and repeated: "What's for dinner, darling?"

Again, no response. He moved to within a metre of her and asked again, but still got no reply.

Finally, he stood directly behind his wife and asked: "Honey, what's for dinner?"

His wife turned around and said: "For the fourth time, CHICKEN, you deaf bastard!"

BILL Gates, John Howard, the Dalai Lama and a hippy were in a plane. Suddenly the engine failed and the plane started to nosedive.

The pilot grabbed a parachute and jumped out.

There were only three parachutes left. John Howard immediately grabbed one and said: "I will lead Australia to glory – I have to live!" He jumped out of the plane.

Bill Gates quickly jumped up and grabbed the next parachute. He said: "I'm the cleverest man in the world – I have to live!" and jumped out.

That left the Dalai Lama and the hippy, and only one parachute. The Dalai Lama turned to the hippy and said: "I have lived a long and peaceful life. You take the last parachute."

But the hippy said: "No need. The cleverest man in the world just jumped out with my backpack."

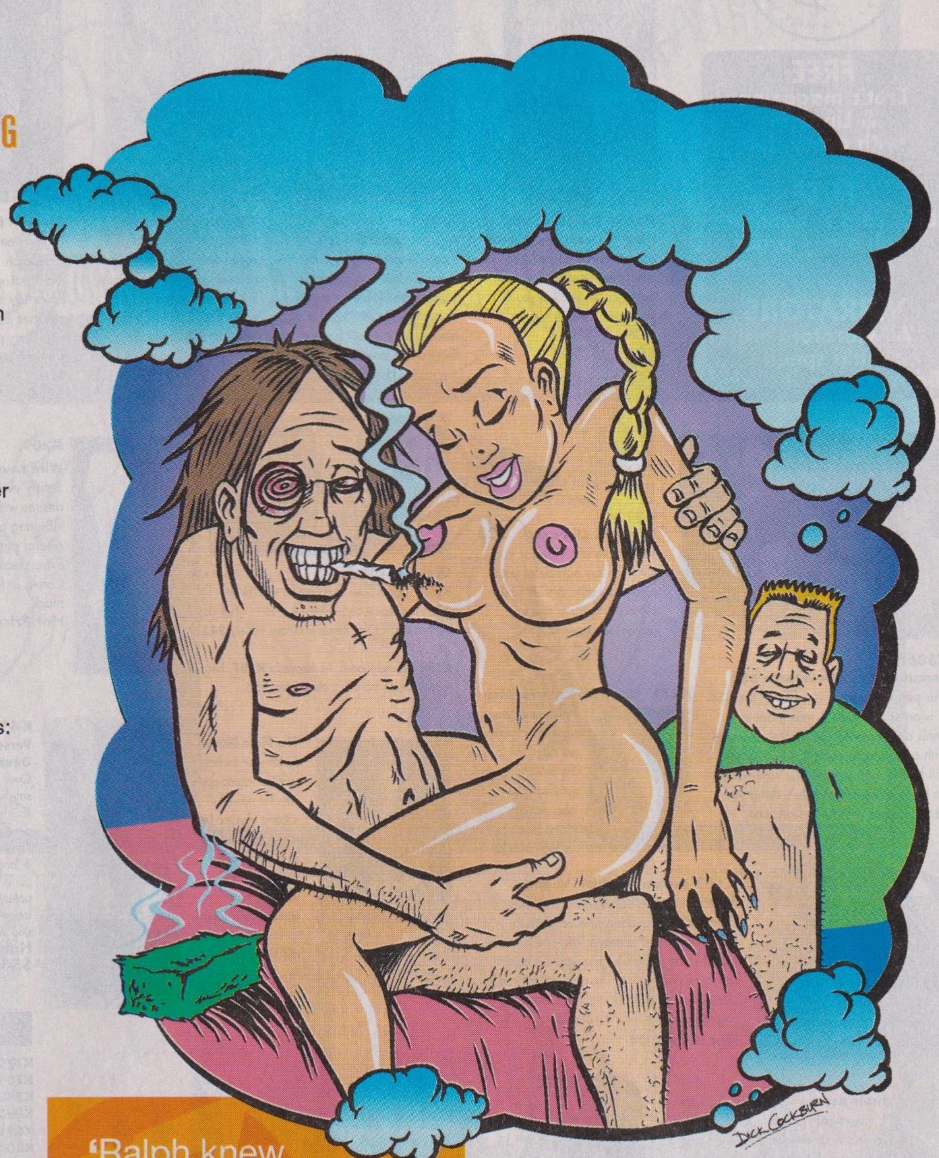
## Mull PiGS



PHILIPPINES, 1969: A happy Aussie traveller named Ralph began haggling with an old lady over the price of a room and a bag of marijuana. As the haggling continued, Ralph thought to himself: "Bloody hell, I'd have thought the weed would have been cheaper in these parts." Finally, the old woman hitched up her skirt. Inside, a wooden support structure masked a dozen or so dangling...bricks? Green bricks, one of which the old Indonesian slammed down on the counter with Ralph's room key, before smoothing back down her skirt.

Ralph went off with his score and met a German couple. They made introductions: Helga, Ralph, Fritz. "What lovely-smelling marijuana," smiled Helga.

"Would you like to share a joint?" asked Ralph, feeling generous.

The mull brick weighed more than a real brick. Ralph pried a small piece loose, only to gawk as it expanded into a large salad, as if by invisible springs.

Helga passed over a doubled-up rolling paper and a pair of scissors. Soon Ralph's new room was thick with pungent smoke, and that was only after Ralph had taken a single toke. He handed the joint on to Helga, who puffed, smiled crazily, and handed it on to Fritz.

By the time Fritz had taken one slug, he was too smashed to have a second, too whacked to talk, too clubbed to even budge. Ralph was little better.

But not Helga. "Ooh, dope makes me so horny..." she gushed and stripped off her skimpy clothes, revealing a magnificent set of Aryan tits and a thick blonde bush.

Ralph's cock swelled. Helga smiled at him, unzipped Ralph's fly and took his manhood into her mouth. Ralph looked guiltily at Fritz, who just grinned dopily. Helga's head bobbed up and down in a frenzy. She stopped only to smile at Ralph, finger her pussy for a moment and then climbed onto his lap.

After bouncing up and down on his cock for what seemed like hours, Helga fingered herself to a shuddering orgasm, which spurred Ralph to do the same. Now all three were grinning dopily...

Ralph was woken by voices in the hallway. The room was dark and lulling, but the word 'polisi' jolted him to a state of vague alertness. The cops were arguing with the old lady!

> 'Ralph knew if he was busted he'd be celebrating with an extra serve of rat before the Manila prison guards came to his cell to have their dark way with his sphincter'

Ralph knew if he was busted with a kilo of buds, he'd be celebrating the dawning of the Age of Aquarius with an extra serve of rat before the Manila prison guards came round to his cell to have their dark way with his sphincter. Fuck!

He crawled around the floor until he bumped into the brick. How could the cops not smell it? Ralph became so consumed with paranoia he lobbed the brick out the window and passed out once more.

In the morning, the police were gone, but Helga and Fritz were still comatose on his floor. At first Ralph chuckled at them until he suddenly remembered: "My mull!"

Ralph jumped out the window and sniffed around until he spotted his beloved brick. It was a lot smaller. Then Ralph realised he was not alone in the yard. He looked around at the herd of stoned pigs. Big smelly fuckers, each of them sprawled in the mud with the same wasted expression as Fritz!

Days became weeks of blurred smoking-and-Helga-rooting sessions (with Fritz smiling dopily). Every now and then Ralph would stagger round his room and kick fat scraps of weed through gaps in the bamboo floorboards. He knew he could never, not in a million years, smoke this much marijuana, not even if he shared his weed with every nymphomaniac German backpacker in the Philippines.

Plus there was another reason he kicked down the scraps. Ralph liked to sleep after a root. And he'd learned that if they found nothing, the mull pigs below would shriek to raise the dead. Or a comatose Fritz.

"Plenty for every pig," Ralph would chuckle, kicking down another chunk and sparking up Helga yet again. ■

# Hot little TiTTies

THERE are certain people out there who think that mystery – or 'enigma' as it is called in Chokito commercials – is very, very sexy.

They're the kind of people who like to be teased a little, who like everything to be revealed slowly, seductively and at a snail-crawling pace that can keep them titillated and aroused for hours.

So they'll certainly dig that we couldn't get in touch with young Summer here. They'll probably WANK THEMSELVES SILLY over the fact that we couldn't interview her about what types of lotion she prefers to smear all over her perky titties and about whether blokes are forever trying cover them in sticky spaff.

Yes, the distinct lack of any information will really float these SICKOS' boats, readers. They'll be having the time of their manky, bottom-dwelling little lives.

And doesn't that make your FLESH CRAWL?

But hey – it's all good. After all, far be it for us to judge anyone.

We just reckon it's fucked.

We say this because we're the kind of people who like DETAIL. As 'journalists' we have to know ALL the facts – the how, the when, the who, the with what, the up where and the how many.

And, perhaps most importantly, the WHY.

And so, when we couldn't – despite our very best efforts – get in touch with the delightful young Summer, we screamed and screamed and screamed until we shat our pants with big gobbets of poo.

And then we wrote this fucking shit. ■

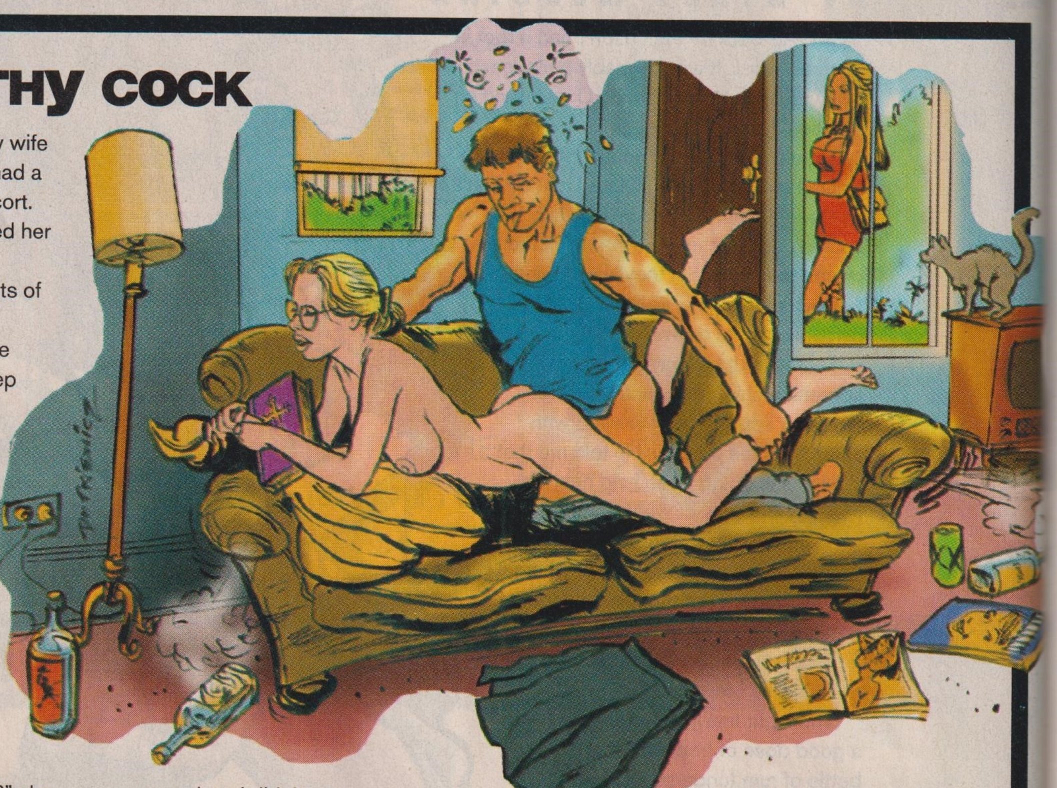
## Hallowed be THY COCK



I WAS doing it rough. My wife had run off and I hadn't had a root in months. So I rang an escort. Candy sounded sexy so I booked her for six that evening.

That gave me time to drink lots of scotch and get very drunk.

Anyway, at a quarter to six the door chimed and on the doorstep was a plain blonde woman in her late 20s. She was wearing a long, prudish dress and a woollen shawl.

"Hi," she said nervously. "I'm Candice. I'm here to save you."

Her sweet smile gave me an immediate boner. "Thank God," I drooled as I grabbed her hand and led her into my lounge room. "I could do with some saving."

Her face brightened. "Really?" she asked. "What do you need?"

I liked this game so I slurred: "I need some love, baby."

"We all need love," she replied, taking off the shawl and sitting beside me. She stared deeply into my eyes. I was falling in lust and as I drunkenly blurted out my problems – about my wife and lack of sex – she took my hand and started caressing my wrists. I didn't want to play any more so I kissed her on the mouth. She seemed surprised and awkward but eventually opened her lips for my impatient tongue. Despite being quite drunk, I still managed to get her out of her dress in no time flat and while she pretended not to know what to do next, she finally opened her legs and let me plunge my cock into her hot, wet snatch.

After I had the best orgasm in years Candice looked a little embarrassed and started to dress. Then the door chimed, and when I opened it I found this tall, sultry bird in a see-through top and miniskirt. "I'm Candy," she said. It was then that I realised I'd just drunkenly shagged a Jehovah's Witness! One hundred per cent true.

## sexual ex

WHO says you shouldn't have sex with your ex?

Well, not me, that's for sure – because a couple of years back, I had a great drunk fuck with my ex at a mate's 21st birthday party.

After consuming my normal beer quota I got onto sculling some wicked punch through a short length of garden hose. I was soon in a very ugly state and while I was walking around the side of the house to relieve some bladder pressure, I bumped into my ex-girlfriend, whose name is Sally.

Instantly, we were all over each other. We started pashing madly and our hands took off, uncontrollably exploring each other's bodies. We were having trouble keeping our clothes on, so we retreated to a tent that I'd set up in the front yard earlier that evening.

Stumbling towards it, we continued feeling each other up while doing our best not to be spotted by anyone who knew us.

That was about the last thing I can remember until some time later, when I was awoken by Sally climbing into a sleeping bag with me. She was naked – and for some reason so was I. She climbed in on top of me, mounted my immediately erect member and started to ride me like old times.

Sally lowered her beaut tits into my mouth and I eagerly sucked on them as she rode me hard and fast. Despite being as drunk as 10 chinamen on a camel, I managed to keep my stiffy and her hot pussy sucked at it like a little midget's mouth. Just like I remembered it.

As I drifted in and out of drunken consciousness, I can remember her hips pulsating as we both finally came in pure alcoholic ecstasy.

In the morning she was gone but she later told me I'd fallen asleep just after we'd stripped off and she couldn't wake me, so instead she left me and came back a few hours later.

What a champion!

## Learner **DRIVER**

DALE was a virgin and was dying to bust his cherry but as I was only 18, my parents wouldn't let me go out with him.

So one night at a big neighbourhood barbecue when everyone was pissed, we nicked off to his car. We were both pretty drunk ourselves, having just polished off a couple of bottles of Resch's Dinner Ale, but he managed to lay me on the back seat and deftly peel my jeans and panties off.

I guided his head to my pussy and told him where to lick and when and how hard to stick his fingers in me. For a virgin, he was actually pretty good.

I could feel his huge, rock-hard shaft digging into my thigh through his jeans, so I told him to get it out, get on top and get it into me. I grabbed it with both hands and slowly guided it into my willing wetness.

My tight pussy gripped and sucked at his veiny manhood and it felt so good that I couldn't help letting out little yips of pleasure. But he really had no idea what he was doing, so I turned him over and started riding him.

That felt much better, and with our heads spinning and the stereo blaring, I thrust onto his impaling shaft as hard and as quick as I could. Within minutes he blew his load inside me and then he amateurishly rubbed my clit until I exploded.

We lit a smoke and opened the car door to find two very irate parents wondering what all the commotion was about. You see, every time I'd thrust down onto Dale, his foot had hit the horn!

I got in so much trouble, I spewed up all over our bathroom. I was in the shit for months but I'm still friends with Dale!

## **STiFF** staff

I WAS a young man in my early 20s when I started working at this government department.

At the end of my first week, I went to a farewell party for another employee. Being a newbie, I was a bit nervous so I hit the booze extra-hard.

This woman called Anne was extra-friendly. She was about 40 and really skinny. She'd spent way too much time in the sun though, and was all leathery.

She had a nasal voice and a piercing laugh that cut right through my brain. She kept rubbing my knee. I squirmed at first but started to like it as I got drunker.

By the end of the night I was shit-faced. Anne said she was right to drive and asked me back to her joint. I said yes. Turned out she lived in the boondocks, an hour's drive away!

We got naked as soon as we arrived. As she bounced on top of me her hair kept flopping into my mouth. I asked if she could pull it back. She ignored me and kept going at it hell for leather. My youth – and the fact that I hadn't rooted for ages – combined to keep me going.

When she finally came she let out this horrible, piercing cry. I wanted to leave right away but I knew I was stranded. I had to stay until morning to get a lift to the station.

As I lay there slowly sobering up, I found myself staring at her leathery back, thinking: "How could I?"

When she woke up I said I needed to get to the station soon. She said she'd take me – but only after we'd fucked again! I thought she was joking. But she wasn't.

Somehow I rose to the challenge and gave her what she wanted.

Afterwards, she kept leaving love notes on my desk. I requested a transfer to another office and got it, thank fuck!

## GRACE:

**GOLD COAST, QLD**

We almost blew our load when we heard this angelic 18-year-old's voice on the phone. "I thought getting the photos done would be fun. It was really sexy getting them done." *Tell us, cutie, what does a sweet girl like you get up to for fun?* "I go swimming at the beach, rollerblading, dancing and I love going out to nightclubs and pubs." *What's your favourite drink?* "I like Bacardi and lemonade." *What sort of girl are you when you're out?* "I'm a naughty girl – I love to dance and get up on the podiums as well." *Do you get naughty often?* "As often as required, with either men or women." *What do you like about women most?* "They're nice and soft, and have really nice lips – guys are stronger and harder. Though I like a guy with strong hands – I like to have my bottom smacked." Form a queue, boys and girls.

## SAMANTHA:

**MELBOURNE, VIC**

She's single, 28, goes out to pubs and clubs and likes to fuck both men and women! *Do you get really smashed when you go out?* "I'll have about six or seven gin and tonics - I only like to get a little tipsy these days." *How do you pick up a fella?* "I'll make lots of eye contact and then walk over and ask them if they want a fuck." *You bat for both sides – what do you like about each?* "Kissing a woman is sensational - it's nothing like kissing a man. Though I love men's COCKS!" *What sort do you like?* "They have to fill me up properly - the biggest I've ever seen was 18cm long and 7cm fat!" *Did that fill you up?* "Yes!"

## TABITHA:

**BROOKLYN PARK, SA**

"I'm an impulsive woman. I always do things at the spur of the moment – that's why I did the pic." *We don't mind impulsive. Tell us where you've had the impulse to suddenly get it on.* "One time I did it at the beach and another time at a tourist lookout. I'm not too big on sex in public but the thrill is a turn-on." *Now that the impulse has faded, what do you think about people looking at your pic?* "Have a good hard long look. You only have one body, and I'm happy with mine." *Did you say you had a fella?* "I do actually but I'm also attracted to women." *What do you get up to in the bedroom with him?* "I love to be dominated so I love doing it doggie-style." If you're wondering how old Tabitha is, she's 19.

I'm only a month away now." *What do you like best about Australia?* "I hadn't sailed until I came to Australia, and now I love it. My husband is a captain on a boat. I used to be his deckhand, that's how we met." *So are you a true blue Aussie yet?* "Well, I'm trying to become a resident but there's so many forms to fill in and pay for. I thought it would be easy but it's not." *Don't worry, you'll get there, Fiona.*

## JENNA:

**MACKAY, QLD**

You know those spunky chicks who walk around pubs and clubs promoting shit? Well, Jenna's one of them, that is, when she's not working behind the bar. Unfortunately for us, readers, at the tender age of 23, she's engaged. *You look pretty healthy – what do you do to keep yourself looking so spoontworthy?* "I like swimming, dancing and I suppose drawing helps me relax. I like to draw nudes mainly. I normally draw from pictures." *Like our beaut mag. Where do you like to shake your booty?* "I like to go to Tricks nightclub in Airlie Beach." *On a level of one to 10, how drunk do you get when you go out?* "Probably ZERO. I don't drink – I tend to be a public liability when I drink, so I just abstain." Maybe we should try that. On second thoughts...fuck it!

# HOME GIRLS

## AMBER:

**BURPENGARY, QLD**

This sexy 27-year-old loves to play around with women. *What do you do for a crust, Amber?* "I work for absolutelyyummy.com – I work on the live camera, and there's also pictures of me on there." *Live cam? Does that mean you have sex and stuff, live?* "Yeah, with both men and women and also by myself. I've got all sorts of toys and costumes, it's great fun." *Had anything funny happen while working there?* "One time I got lockjaw while going down on a girl. We were doing a photo shoot at the time." *Tell us some dirty stuff.* "I love big, fat, wide, long cocks – the bigger, the better. It hits more spots that way. I also love giving blowjobs. When I'm with a woman, I like a 69-er."

## LOLA:

**SYDNEY, NSW**

Check out the tits on Lola! They seem to scream "Please spoof on me". *How come you sent your pictures in, sexy?* "I need the money right now." *So it wasn't to have punters salivating over your luscious boobs?* "Well, I'm a bit worried about that but it's just flesh and it doesn't bother me too much." *Can you tell us a) if you're single, b) how old are you and c) what turns you on?* "I'm single, I'm 19 and lots of kissing and massages turn me on." *What do you expect from a fella in the bedroom?* "I expect lots of love and affection." *What would you be keen to do in bed?* "I'd be pretty keen to try anything once." *How would a fella get into your bed?* "He would have to show me that he cared about me for a long time before I'd sleep with him."

## ROSE:

**SYDNEY, NSW**

"I play lots of guitar and I'm really into drawing," said Rose, 38. "I really like doing portraits and bodies, and I do glass paintings. I sell the glass paintings at the markets - you can use them as windows." *Anything else you want to tell the readers about yourself?* "I work as a school assistant at a girls' high school. But apart from that, I look after my daughter and hang out with my hubby." *What's the hubby think of your pics going in?* "He reads the mag with me, and he's the one who dared me to do it." *Sounds like a wild marriage. Wanna tell us about some shenanigans?* "We've been fulfilling some fantasies lately. We got a stripper to come around and do a private show for my hubby. And I want to have a threesome with my hubby and another man."

## MELISSA:

**CAIRNS, QLD**

Melissa is single, 28 and goes for guys, though she had an encounter with a woman once – and liked it. "I'm a full-time mum right now but I want to get some work in hospitality. Though I'd rather stand in front of a camera for a living." *So you enjoyed having your pictures taken?* "I loved it! It was great fun. It made me feel great, sexy, beautiful...and it turned me on a little as well." *What would we have to do to turn you on?* "I like a man who is intelligent and can keep a conversation going. He also needs to dress smartly and keep himself in good shape." *What about a big round shape?* "No thanks." *What do you get up to in the bedroom?* "Lots of foreplay – I love a man going down on me as much as he can."

## NIKKI:

**TOWNSVILLE, QLD**

Nikki is 26, married and has two children, a boy and a girl. She likes to get physical and is wild about animals. *What sort of animals?* "I want to get a licence so I can own a snake. I'm also doing a course on photography – I've been doing a fair bit of wildlife photography lately, things like crocs, birds and snakes." *Hope you're talking about one-eyed trouser snakes. You said you liked to get physical – what does that mean?* "I like to go to the gym and work out, and I love dancing." *Is that the podium variety?* "No. When we go out, it's usually to a friend's place – it's hard to get babysitters all night long." *What do you like best about your hubby?* "He really turns me on when he wears tight, black jeans."

## DEB:

**QUAKERS HILL, NSW**

Deb appeared in Home Girls way back in #571 – and now she's back for more. *What's new since the last time we asked you filthy questions?* "I've just turned 33, I'm dating a guy, I'm almost a full-time mum but I work as a nanny part-time." *Nice pic – where was it taken?* "When I was in Bali, in February. I got the guy selling watches to come over and take it for me." *Please tell us you don't just reserve pulling out your tits for overseas.* "Well, I hate tan lines so I try not to have anything on." *Does that mean you get all your kit off at the nudie beach?* "I would go fully nude, but it makes the tattoo fade." *You could put zinc on it.* "Yeah, I suppose I could get someone to paint carefully over it with zinc cream."

Jemma likes to mix it up any which way in the bedroom and she's just 21 years old.**

# The Froth Report

by Cathy Froth

## Good VIBRATIONS

MMMMM....mmmphhh...drrrrrrrrrrrr... – how fucking good does it feel to have a vibrating hunk of plastic inside one's vagina after a tough day at the office? Moisten the gate and bring home the bacon. Oh, what a feeling!

My latest wank toy is the Sydney Starlet from **www.sharonausten.com**. The lovely Starlet made its delicious debut recently in a moment of pre-dawn passion.

"Have you used your new toy yet?" whispered my lover.

When this thing was turned on, I felt lucky, lucky, fucking lucky as I shot out orgasms all over the shop. Like the Turks at Gallipoli, they just kept coming – from long, deep ones from the depths of my spadger to frisky little kicks from the clit. Uncontrollable ones that came outta nowhere, like when you're casually sitting in a bar and someone buys you a bottle of Verve, and before you can ask why, there's caviar and strawberries as well and all you can do is roll with it.

> 'I want to take it for strolls in the park and, of course, turn it on full and lie in a gluttonous, raging binge of orgasms'

There is so little effort involved with a top-shelf vibrator. No matter where you put it, it finds things, wakes them and turns them into dancing girls with tassels on their titties and feathers in their hair.

Exhausted, I continued masturbating as the Starlet shook what felt like my womb, and when I put my boyfriend's cock inside me while the Starlet danced on my clitoris it felt so good I wanted to rub it clean off. When my boyfriend rode me I kept twisting his nipples to turn him up faster.

And the Starlet is as user-friendly as a cup. Just turn it on and you can't help but get off. But, like the nipple of a baby's bottle, it needs to be warmed up to swallowable temperature before use. Insert it unprepared into your spadge in the crispness of an early autumn morning and you'll feel like you're having a pap smear. But once the silicon of the Starlet is warm, baby, you've got the bulk of a cock with the touch and swiftness of a speeding man's tongue right at your fingertips.

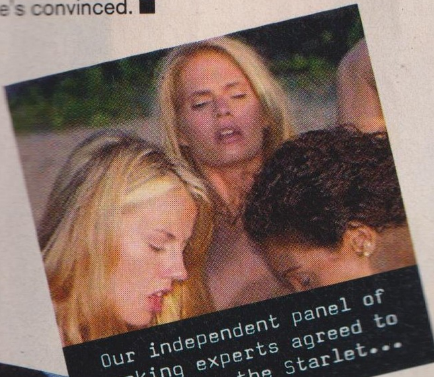
And don't think this is solely a girl's toy or a prop for the lonely. I guarantee you, young man, that with the controls on low and the Starlet nestled somewhere under your ball sack, in no time you'll be moaning like the lucky bastard you are.

And if you're using it on your missus, providing her with a squillion orgasms a second, she's gonna mix the two up and think you're the one doing it. Like a duckling that thinks the first moving object it sees is its mum, she'll think you're it. The duck's guts, as it were.

I feel like I have a new friend. I want to take it out with me and introduce it to my friends. I want to take it for strolls in the park and, of course, turn it on full blast and lie in a gluttonous, raging binge of orgasms.

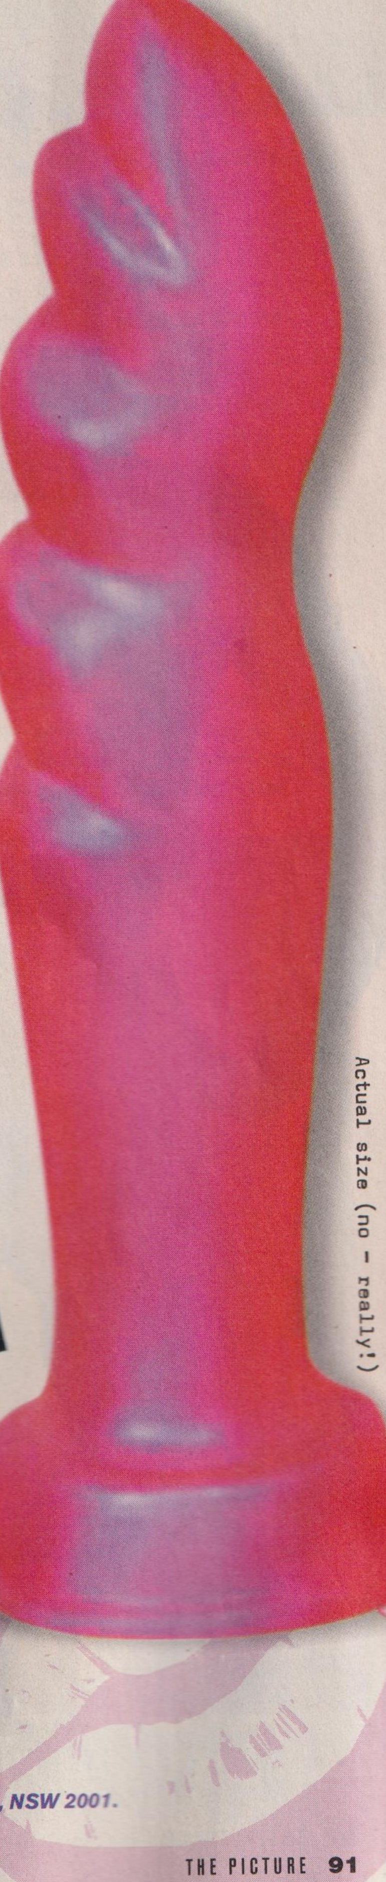
I expressed my delight at my new toy to my boyfriend who, just hours earlier, didn't want to be within a bull's roar of it.

"Our baby" he smiled as he took my hand. I think he's convinced. ■



Our independent panel of wanking experts agreed to test-drive the Starlet...

...and the results speak for themselves!



Actual size (no - really!)

# HOMIE OF THE WEEK

## Rachael

**SUNSHINE COAST, QLD**

INSIDE INFO

Rachael, 27, came THIS close to becoming a Penthouse Pet. "I didn't end up going through with it because I thought my father wouldn't like it. That's why I wanted to do THE PICTURE!" *Their loss, our gain. Rachael now has two sprogs and works for a fashion boutique. What does it for you, darl?* "I like tradesmen and watching men work. My boyfriend used to work at BHP in Wollongong and he used to come home with his BHP outfit on – and it had to come straight off!" *Why so, Rach?* "It's just sexy. I like to see men thinking about things and watching the positions they have to get into on the floor to fix things." *And how do you like your rumpy-pumpy – not up the tradesmen's, by any chance?* "I'm pretty versatile – anything feels good. Indoors, outdoors, I don't care!" *Cool!*
